Argan Oil
Hair Color

NYE METALLIC CHROME

This technique will create a smoky chrome look all over the head.

The hair needs to be pre-lightened all over in order to get a bright, impactful color.

Step 1:

Use One 'n Only™ Argan Oil Powder Lightener for all off-scalp lightening. Mix lightener with One 'n Only™ Argan Oil 20 volume Cream Developer until creamy consistency is achieved. To create an all over lighter color result, apply powder lightener, keeping it off the scalp all over the head. Pre-lighten to 2-yellow stage.

Step 2:

Shampoo and condition.

Dry hair completely.

Step 3:

Mix:

Perfect Intensity Chrome

Apply color all over the head in fine, even sections, saturating each strand for the best result.

Step 4:

Process color for 30 minutes.

Rinse, condition and dry.
